Dear Sir / Madam,

I, Soham Ganatra, respectfully submit this letter in support of the U.S. Tourist Visa (B-1/B-2) application of my father, Mr. Pramesh Ganatra, a citizen of India.

I am currently residing in San Francisco, California, and working as Co-Founder of Composio, a technology company with operational offices in San Francisco. I am legally present in the United States on an O-1 Visa (Extraordinary Ability in Business).

MY DETAILS

Name: Soham Ganatra
Designation: Co-Founder
Company: Composio
Office Location: San Francisco, California, USA
Immigration Status: O-1 Visa (Valid)

PURPOSE OF INVITATION

I cordially invite my father to visit the United States for a short-duration family visit and tourism purposes only. The visit is strictly temporary in nature, and he will return to India upon completion of the planned stay.

FINANCIAL SPONSORSHIP & ACCOMMODATION

During his stay in the United States, I will provide the following:

- Full accommodation at my residence
- Coverage of all local transportation and living expenses
- Support for any incidental expenses during his visit

I confirm that my father:

- Will not engage in any employment or business activity in the United States
- Will strictly comply with all U.S. immigration laws and regulations
- Will not overstay beyond the authorized period of admission

STRONG TIES TO HOME COUNTRY

My father, Mr. Pramesh Ganatra, maintains strong professional and personal ties to India, which necessitate his timely return:

- Proprietor of Aneri Construction Co., an established business operating since 2008
- Active construction projects requiring his direct supervision and management
- Ownership of residential and commercial real estate properties in India

- Permanent family residence with other family members in India
- Long-standing community and social commitments

Given his substantial business responsibilities and family obligations, his return to India is assured.

I respectfully request you to kindly grant Mr. Pramesh Ganatra a U.S. Tourist Visa (B-1/B-2) to enable this family visit.

Thank you for your time and consideration.

Sincerely,

Soham Ganatra
